THE NEW YORK HERALD,

New York City.

Gentlemen: I want to congratulate you on the wonderful success you have achieved with your classified advertising section; especially in reference to the "Furnished Room" columns.

That appeals to me, first of all, because of its decided distinctiveness, the careful and considerate attention paid to each advertisement, and the fact that you have eliminated certain undesirable features which exist in other papers in the development of your result-bringing These facts have prompted me to adopt the New York Herald as my advertising medium.

New York Heraid as my advertising medium.

I trust that the results you have just procured for me and which have helped me to rent my room will justify confidence in your paper on the part of others.
